**CO\textsubscript{2}**MMANDER\textsuperscript{®} Elite
Portable delivery system for Medical-Grade CO\textsubscript{2}

**CO\textsubscript{2}**MMANDER\textsuperscript{®} Elite
The CO\textsubscript{2}MMANDER\textsuperscript{®} Elite is a portable, compact medical-grade CO\textsubscript{2} delivery system
No external power or gas supply is required. The device uses small medical-grade CO\textsubscript{2} cartridges which deliver pressure controlled gas at the press of a button. The CO\textsubscript{2}MMANDER\textsuperscript{®} Elite allows all the safety and benefits of CO\textsubscript{2} in a portable system.

The CO\textsubscript{2}MMANDER\textsuperscript{®} Elite is very simple to operate and comes with a QuickStart guide which provides instruction on engaging and disengaging the device. The AngiAssist medical gas management system is user-friendly, safe and offers accurate pressure controlled gas.
**CO₂MMANDER® Elite**

Portable delivery system for Medical Grade CO₂

- **Device is more user-friendly for wider acceptance**
- **Safe for the patient**
- **Eliminates explosive delivery issues**
- **More defined delivery flow**
- **Cost reduction to end-user**
